MCCSA WAITING LIST APPLICATION

On behalf of the Merrill Creek Owners Group, the management of Merrill Creek Reservoir is responsible for administering and maintaining the Waiting List for membership in the Merrill Creek Conservation and Sportsmen Association (MCCSA). The information on this application will enable the promotion of our wildlife management program while providing you with safe, fair and equitable hunting privileges.

Upon receipt of this completed application at the Visitors Center, your name will be placed on the MCCSA Waiting List for full membership. Anyone deliberately providing false information (address, birth date, etc.) will be permanently removed from the Waiting List and will forfeit his/her chance of becoming a member of the MCCSA.

Waiting List members will, on a rotational basis, be offered an Associate Membership which will provide you the opportunity to hunt single seasons. In addition, periodic updates/forms will be mailed to you. Be sure to complete and return those forms so that our files are current. Accurate information must be provided; if we cannot contact you, we cannot invite you to hunt or to join the Association when your turn comes.

Please retain this section of the application for your records. If you do not receive a receipt within a month, call (908) 454-1213 ext 5. It is your responsibility to ensure that your application has been received.

Date you submitted/mailed application: _____

cut along dotted line

NAME: _____ DATE OF BIRTH: _____

MAILING ADDRESS: _____
