MCCSA Waiting List Application

Phone: (908) 454-1213

Fax: (908) 454-2747

The Officers of the MCCSA are responsible for administering and maintaining the Waiting List for the membership in the Merrill Creek Conservation and Sportsmen Association (MCCSA). The information on this application will enable the promotion of our wildlife management program while providing you with safe, fair, and equitable hunting privileges.

Upon receipt of this completed application by the officers, your name will be placed on the MCCSA waiting List for full membership. Anyone deliberately providing false information (address, birth date, etc.) will be permanently removed from the Waiting List and will forfeit his/her chance of becoming a member of the MCCSA.

Waiting List members will, on a rotational basis, be offered an Associate Membership which will provide you the opportunity to hunt for the seasons for that year. In addition, periodic updates/forms will be emailed to you. Be sure to complete and return those forms by email to mcrhuntclub@gmail.com so that our files can remain current. Accurate information (EMAIL) must be provided; if we cannot contact you by email, we cannot invite you to hunt or to join the Association when your turn comes. Please send an update whenever there are changes to your email, phone or address.

Please fill out and email the bottom portion of this application to mcrhuntclub@gmail.com and retain this section for your records. You will be emailed a receipt. If you do not receive a receipt within a month, please call Dave Kubich @ 917-337-8307. It is your responsibility to ensure that your application has been received.
