The Officers of the Merrill Creek Conservation and Sportsmen Association (MCCSA) are responsible for administering and maintaining the Waiting List for membership in MCCSA. The information on this application will allow continued implementation of our wildlife management program while providing you with safe, fair, and equitable hunting privileges.

Upon receipt of this completed application by the officers, your name will be placed on the MCCSA Waiting List for full membership. Anyone deliberately providing false information (address, birth date, etc) will be permanently removed from the Waiting List and will forfeit his/her chance of becoming a member of the MCCSA.

Waiting List members will, on a rotational basis, be offered an Associate Membership which will provide an opportunity to hunt for all seasons that year. In addition, periodic updates/forms will be emailed to you. Be sure to complete and return those forms by email to mcrhuntclub@gmail.com to ensure our files remain current. Accurate information (EMAIL) must be provided; if we cannot contact you via email, we cannot invite you to hunt or to join the MCCSA. Be sure to send updated information whenever there are changes to your email, phone or address.

Please fill out the bottom portion of this application and EMAIL to mcrhuntclub@gmail.com. Retain this application for your records. You will be emailed a receipt including your waiting list number. If you do not receive an emailed receipt within a month, please call Dave Kubich @ 917-337-8307. It is your responsibility to ensure that your application has been received.

NOTE: No applications will be accepted without an email address as all MCCSA communications are done through email.
